Q10 U14 Slalom and Giant Slalom races currently comprise 2 x 1 run races. The reason is to provide more opportunity to experience race conditions, without the pressure to complete both runs of a 2 run format. Should U14 races continue in this format or revert to the cumulative 2-run format?

Answered: 205 Skipped: 5

Answer Choices	Responses	
2 x 1 run	74.63%	153
Cumulative 2 run	25.37%	52
Total		205

Q11 U14 Slalom races are currently seeded. It is argued that this can lead to pressure to participate in many races, and thereby to increase the stresses on young bodies. Should U14 Slalom races continue to be seeded?

Q14 If Yes, should they be:

Answered: 156 Skipped: 54

Answer Choices	Responses
Included in the Start List as if they had not been DSQ/DNF and then later excluded from the official results? (NB this may mean their getting better snow conditions than Qualified racers)	25.00% 39
Allowed to start at the end of the Qualified field (NB there are safety issues to this approach)	75.00% 117
Total	156

Q15 U14 and U16 are currently seeded separately. The reason is the different race format and the general fact that U16s are physically stronger than U14s, who thereby gain a seed point advantage. Should U14 and U16 be seeded separately?

Answered: 205 Skipped: 5

Answer Choices	Responses
Yes	46.83% 96
