

CAMPING

Traveling far? Or simply don't want to leave the party all weekend? Well then, get yourself booked to camp at Farmers Jam!

As in years before, we are working in association with Whittingham Broad Campsite, only a short walk from the dryslope. The campsite is dog-friendly, has family friendly washrooms and showers, and free parking for customers. They also have a selection of bell tents and yurts available for hire.

The campsite have kindly agreed to let us take over for the weekend, so prepare for a weekend of campfires, freestyle and camping with your friends!

FARMERS' JAM

SKI & SNOWBOARD FESTIVAL

Fri 4th - Sun 6th September
Spectators go free!

Norfolk is an unlikely home for one of the oldest snowsports festivals in the country. Yet, despite its evident lack of mountains and snow, it has a large snow-loving family who come together each year to celebrate their love of skiing and snowboarding.

Held at Norfolk Snowsports Club, Farmers Jam has grown organically, over fifteen years, with the help of local sponsor: Snowfit Revolutionz.

Run completely by volunteers, all proceeds of the festival are reinvested in the club: helping keep the community-run facility open for the next generation of snow-lovers.
