Welwyn Garden City - 3rd October 2010

The final race of the season was full of drama. As some of the final places were yet to be decided the racing was incredibly exciting, unlike the weather! I asked Sally Bartlett what she thought of the course and she said 'there was a little bit for everyone' well the couple of gates on the humps were definitely a challenge and some times a bit too much of one.

As the teams were ready to fight for the final places the 'reliable' timing gear unfortunately failed. While the officials scratched their heads the rain finally came with a vengeance. After discussions on whether the teams should be head to head or relay (I think cold, rain and stress contributed to this) the team event started. Ian & Piet stood at the bottom of the slope waiting to flag the racer as they crossed the finish line, with Rolf in the commentary box trying to keep track.

Congratulations to Shaun Blyth and Sophie Skipper on being overall champions and yet again well done to Norfolk for winning the club competition. There were so many medals and awards I shall not list them all, but all of the results are available on the ERSA website.

Well done to everyone, a great turn out and once a again a great seasons racing. As a father and sometimes official it was almost worth getting up at God awful times in the morning, missing the Grand Prix, Golf, Tennis, Football, Rugby, Sleep etc..... (only joking)

One of the more dramatic pictures I have ever seen.

racer ready

Throughout the season Neil at Racer Ready has supported the ERSA region. Some of the photos in this report have been supplied by him. I'd like to thank him personally for that support and also to all those that have contributed to these reports.

Do you think this race report is biased?

I would love to have comments/pictures from the other clubs, either send some information to me or speak to me at the race.
