For the Open "B" event racers will compete in date of birth order, i.e. youngest first. Teams will be disqualified if this rule is not complied with. Illegal racers will ski as decided by the other team unless both teams have illegal racers when they will ski first. In the Children's, Open "A" Age Group and SEN/MAS event racers may race in any order, this order must be indicated before the event on the team nomination form, this order may not be changed.

Before the start of the competition, copies of all team members' names and dates of birth for the Open "B" must be received by the regional race official present on this official Team Sheet. This is to assist in commentary and to assist the start marshal's in keeping the competition running smoothly. ***The names of entrants to the "Stampede" should be given to the race organisers by the end of the second run where possible to give time to ensure that there is time to complete the preparation work.***
