This race will be set as a Single-Pole Slalom following the rule 801.2.6 Single-Pole Slalom *'Slalom courses on artificial slopes may at the discretion of the Jury be set with 'single pole gates' in accordance with the current ICR and any relevant Precisions.*

Single-pole courses may only be set with the prior agreement of the Jury. All runs in one event, or in events held at the same location over successive days for the same age categories, must use the same 'type' of course (single- or double-pole). Where an event is to use single-pole courses, this fact must be published in the race invitation and/or bulletin, and if possible also shown on the Calendar'.

Competitors are reminded of the regulations requiring the use of protective 'bungs' or caps on ski pole tips, and those governing the limits on ski/binding height. These regulations are liable to be enforced during this event.

Gloves and long sleeved garments which also cover the midriff must be worn at all times whilst on the slope, including during open practice, course inspection and the race itself.
